

We are hiring for a **Full Time Pharmacist** at our **Regina - South location**.

You will be responsible for:

- Managing day-to-day pharmacy operations including dispensing, maximizing clinical opportunities, and administering vaccinations.
- Maintaining inventory within the pharmacy.
- Ensuring compliance with Provincial and Federal regulations, policies, and procedures.
- Remaining current on latest trends in the pharmacy industry by keeping up with new medications and clinical opportunities.
- Offering private consultations to our patients while maintaining a patient-centered care culture.
- Providing clinical services including medication management and health screening.

You have:

- Your Canadian Pharmacist license and are in good standing with the respective College of Pharmacists.
- Your injection certification.
- Proficiency with Pharmacy Software solutions, preferably Kroll.
- Experience with Opioid Agonist Treatment (OAT) and completed mandatory training when required.
- The ability to assess, plan, and apply clinical knowledge when required.
- Additional training or certifications (considered an asset)

Here are some of the perks we have to offer:

- Comprehensive benefits package
- Company-funded pension plan
- Eligibility for moving expenses for certain locations
- Opportunities for career advancement into management or clinical positions
- Get paid every Friday!
- Educational reimbursements
- Wellness and Team Member assistance program
- Team Member offers and discounts.
