

**Eston Pharmacy**  
is hiring for the position of  
**Pharmacy Manager**

**About Us:** Located in Eston in west-central Saskatchewan, Eston Pharmacy operates out of a beautifully renovated building with spacious dispensary and ample front store. Working alongside physicians, nurse practitioner and nurses, pharmacy staff meet the prescription needs of the general community and the long term care facility under contract.

**About You:** A motivated, licensed pharmacist in good standing with the SCPP, the pharmacy manager will conduct the day-to-day operations of the pharmacy in compliance with all provincial and federal regulations.

**About the Opportunity:** An outstanding work/life balance, including:

- consistent work hours Mon - Fri 9:00am - 5:00pm (no evenings, weekends or stat holidays, ever!)
- accommodations provided (spacious 2 bed, 1 bath apartment with in-suite laundry, internet included - no monthly living expenses!)
- no commute (accommodation located 100 meters from business address)
- lower stress environment
- generous compensation (\$68 - \$75/hour depending on length of contract and experience)
- health benefits package
- annual license fee reimbursed
- 3 weeks vacation annually
- practice to full scope in a rural setting

**About Eston:** A positive, close-knit agricultural based community, Eston is an ideal place to live, work and play. The town's many amenities include full-serve grocery, indoor arena and fitness centre, two outdoor pools, golf course, regional park on the South Saskatchewan River, various houses of worship, library, as well as other businesses and restaurants.

If this sounds like the right opportunity for you, we would love to be in touch!
