

# WANTED — ALIVE!!

## STAFF PHARMACIST

If you are looking for a pharmacist position that allows you to use the full gamut of your professional training rather than being a 'prescription checker', Henders Drugs in Estevan is looking to hire a Staff Pharmacist to begin employment as soon as possible. Pharmacist must be licensed or eligible for licensure in Saskatchewan. Candidates must have excellent communication skills for interaction with customers, physicians, colleagues and store staff.

Henders Drugs is Estevan's only locally owned independent Pharmacy operating under the PharmaChoice banner. Open 9-9 Monday to Friday, 9-5 Saturday & 12-4 Sundays & holidays.

Duties of the successful applicant will include prescription filling and counselling, medication reviews and assessments, minor ailment prescribing, immunizations, smoking cessation and whatever else is necessary to act in the best interests of our customers.

Henders offers a generous compensation package, an extended health benefit plan, paid SCPP and PAS membership and, most importantly, a pleasant professional working environment.

If this employment opportunity interests you please send your resume to Larry Preddy via email to: [lpreddy@sasktel.net](mailto:lpreddy@sasktel.net) or feel free to inquire by phone at 306-421-3664.

If you wish to check us out please feel free to contact any of our present staff pharmacists:  
Dawn Marie Sloan-Beahm, Falyynn Wilson or Travis Maley at 306-634-3666
